

# COMPLEXITY MEETS SIMPLICITY.

PEO + PARTNERS = STRATEGY

## Find the Right PEO — Without the Guesswork

*Complexity Meets Simplicity · PEO + Partners = Strategy*

### THE CHALLENGE

- The PEO vetting process can take 60–80+ hours of your leadership team's time.
- Every PEO quotes differently — making side-by-side comparison nearly impossible.
- PEO sales reps represent the PEO. You deserve an advisor who represents you.

### HOW WE HELP

- We manage the entire process — from document collection to final negotiation.
- Access to 40+ vetted PEOs, not just one option from one sales rep.
- Full side-by-side pricing analysis with transparent breakdown of every cost component.
- Ongoing support at renewal — we renegotiate on your behalf every year.

### OUR PROMISE

- Our advisory is completely free to your business — compensated by the PEO you select.
- No obligation. No pressure. Just clarity.
